BUILDING DIVISION FEE SCHEDULES INFLATION ADJUSTMENT

The proposed resolution for the Newberg Building Division fee schedules are to be adjusted to account for inflation effective April 1, 2019 by City Council. The resolution proposes to approve building division fees to reflect changes in the consumer price index of 3.3%. The current permit fee schedules were based on the 2017 CPI-U Portland-Salem annual average 259.838. The City will now use the 2018 CPI-U West Region annual average 263.263. The 2017 CPI-U West Region annual average was 254.738. The change also establishes a minimum charge of \$87.67 for most permits and makes various minor changes to the fee schedules.

This change will be effective for any permit submitted after March 31, 2019.

Interested persons may deliver written comments by March 14, 2019. You may view the changes at www.newbergoregon.gov, or at the Community Development Department office, 414 E. First Street, Newberg.
